Honouring Traditions, Celebrating Lives

To:
Community Partner

May 21, 2026

We are pleased to announce the launch of our inaugural Zohr Family Funeral Home Remembrance Classic, an annual golf tournament created to bring our community together in support of meaningful charities.

For our very first tournament, we are honoured to be raising funds in support of the Young Grievers Camp through Roger Neilson House, a program that provides compassionate support to children and youth navigating grief and loss.

As a family-owned business rooted in the Ottawa Valley, supporting our community has always been at the heart of what we do. This tournament was created not only as a day of remembrance, connection, and community, but also as an opportunity to make a lasting impact through fundraising and charitable giving.

We are reaching out to invite local businesses and organizations to become part of this special event through sponsorship, donations, or team registration. There are several ways to support the tournament:

- Register a golf team and join us for a meaningful and memorable day on the course
- Become an event sponsor through one of our sponsorship opportunities
- Donate prizes, raffle items, or silent auction items

As a sponsor, your contribution will help children attending Young Grievers Camp feel supported, understood, and connected during some of the most difficult moments of their lives. Our hope is that the Zohr Family Funeral Home Remembrance Classic becomes a meaningful annual tradition within the Ottawa Valley – one that honours loved ones, strengthens community connections, and gives back to organizations making a true difference.

We would be incredibly grateful for your support in helping make our inaugural tournament a success. Thank you for considering supporting this meaningful community initiative. We look forward to partnering with you and making a difference together.

Sincerely,

The Zohr Family
